

AROSC EVENTS CALENDAR 2012

Pull this out and save it!

2012 marks the 50th anniversary of the Southern California Chapter's founding, and the 40th anniversary of our great competition program. To help our members stay on top of the activities scheduled for this special year, we're offering this 12-month Events Calendar. If you get the printed edition, simply remove this four-page center section and keep it handy for reference. Electronic sub-

scribers (or any member with internet access) will find a link on the Club website, www.arosc.org, to a two-page PDF version of this to download and print.

It happens sometimes that an event is cancelled or rescheduled due to unforeseen circumstances. We will post any changes as soon as possible. We've also left room in each month's area to write in these changes.

Every Spring Driving Tour has its "off-road element". Here we visit monumental steel prehistoric-creature sculptures in Anza Borrego's Galeta Meadows. If you've never been on an AROSC tour, you've never lived! Join us this year for an adventure to remember! Steve Edelman took the picture.
