AUGUST 1968

FOR THE RECORD

At the San Diego Nationals, Fritz Taggart took 4th in F Production. After a good race, Phyllis Gaylard had to DNF due to heat prostration due to a broken exhaust. The two local Duetto's finished 3rd and 4th after some wild spinning.

At the Riverside Nationals, Phyllis Gaylard finished 5th in class C Production which has been dominated by factory backed cars all year. Fritz Taggart also took a 5th place in F Production. Joe Moore in his Class C Modified, powered by a 1100cc Alfa, placed 2nd in class. Lee Midgley's Duetto had its problems -- enough said.

And across the pond, Alfa GTA's placed 1st and 2nd in Class C in Belgium's 24 Hour Enduro, and 1st and 2nd also in Class D, in the GT Junior.

AROSC TECH SESSION AT SHANKLE'S

The tech session last month drew quite a turnout, about 45 members were present. The session turned out very well, and several members of the distaff side said the discussion was clear enough for them to follow for a change. There was also a display of factory optional equipment. Thanks to John Shankle and crew for a very informative evening.
