## **A Plea from AROC and AROSC**

---

---

AROC national and AROSC are trying to get member's current email addresses. They are going to give email a try to reduce some postage costs and provide a more direct and timely information pipeline. However, they are NOT going to be spam generators, so nobody's inbox is going to be blasted daily with AROC emails (more like one or two a month) and we do NOT sell member info to anyone. AROSC wants to expand the reach of our E-Blast meeting and event reminders as supplements to the *Alfacionada*.

One of AROC's bigger expenses is postage and paper used to remind people of their membership renewal date. We will very soon begin emailing an alert ahead of any USPS mailed alerts with the expectation that many of the paper mailed alerts will no longer be needed. This will include second and final renewal notice alerts as well.

In the "timely information pipeline" area additional email alerts will be used for notification of the "in process Board of Directors election" to remind people to vote and probably an election results email to follow the election. I would also expect that we will have a couple of emails dealing with the upcoming AROC convention and a post-convention one touting convention coverage in the **Alfa Owner** as well as on the AROC website.

Any help you could give AROC and AROSC in trying to get a more complete listing of member's email addresses will be appreciated. Please send to [AROSCeditor@aol.com](mailto:AROSCeditor@aol.com) and [AROCadmin@aol.com](mailto:AROCadmin@aol.com).

And if you haven't been to the AROC website recently, you might check that out, as there have been some small changes. One of the changes will be used as the reason for one of our first full email-capable membership campaigns coming shortly.

Regards

*John Justus*

# MONTEREY WEEKEND NEWS FLASH

August 13-15, 2010

---

---

By John Maclay

Maybe this is change you can believe in! (Sorry-) Many years after establishing and nurturing the Monterey Historic Races, Steve Earle has relinquished his ownership of the event. It is now being run by SCAMP as the “Rolex Monterey Motorsports Reunion” and some changes are being introduced. The car club corrals are still being formed but involve changes in pricing which affect us.

The track is now charging \$10 per car for three-day corral pass privileges instead of being essentially included as part of a ticket purchase. **THIS MEANS LATE CORRAL PASS REQUESTS WILL NOT BE READILY AVAILABLE AS IN PAST YEARS.** We cannot obtain extra passes for late buyers as we have previously. Also the corral size will be determined essentially by the number of passes sold initially with tickets so there probably will be little room for expansion. Plan to get your race ticket orders in to me before the deadline (which will be SATURDAY JUNE 19) to be sure to get corral passes. Order blanks will be available in May and June.

The good news is that the price of tickets ordered at the same time as corral passes are essentially \$10 cheaper apiece than previously, so if you are ordering two or more tickets for each corral pass you will actually save some money over previous years. Make plans now to get your orders to me before the June 19<sup>th</sup> cutoff date.

Another weekend event is Concorso Italiano on Friday, August 13 (La Dolce Vita is no longer with us) and the Alfa Romeo Association (ARA) is once again organizing an on-site social affair after Concorso. It will be a modestly priced buffet dinner at Balesteri’s at Laguna Seca Golf Ranch for a low \$35 including tax and tip with no-host drinks only. This is in contrast to the cocktail party approach in previous years but is a worthwhile change. Please plan to join us at this nice event, beginning at 5:00PM thru 10:00PM, to avoid traffic and hassles upon departing Concorso and take care of dinner at the same time.

Delta Sierra AROC is once again blocking out 40 rooms at the Laurel Inn in Salinas for the Alfa clubs reportedly at the same rates as last year and the Saturday night (August 14) Alfa dinner at Gino’s is in the works. Ordering information will be available for all of these events including an order blank starting with April newsletters. **DO NOT MISS THE JUNE 19 SATURDAY DEADLINE FOR GETTING YOUR RACE TICKET ORDERS TO ME.** Dinner orders will be accepted after that date but earlier is better.

## **Alfas at the Glen 2010**

---

---

In honor of the 100th anniversary of Alfa Romeo, the Sportscar Vintage Racing Association (SVRA) and the Grand Prix Festival in Watkins Glen have chosen Alfa Romeo as the “Featured Marque” for the Watkins Glen Vintage Grand Prix and Grand Prix Festival, September 9-12, 2010.

Multiple activities are planned for both Alfa Romeo street and race cars at the track and in the village of Watkins Glen, so many, that the lack of things to do and see will never be a problem. There will be an “Alfa Race” Sunday afternoon at the track.

We hope to attract many historically important street and competition cars from all eras and with luck, perhaps some of the newer cars not currently imported to the US.

A committee has been organized to spearhead the large expected turnout for Alfa Romeo vintage racers and Alfisti from around the country. A web site, serving as the central clearinghouse for information about this event, will be located at [www.alfas-at-the-glen2010.com](http://www.alfas-at-the-glen2010.com). An additional website, [www.grandprixfestival.com](http://www.grandprixfestival.com) covers the numerous events (rallies, tours, car shows) organized by the Village of Watkins Glen.

For the Vintage Festival in 2009, an estimated 20,000 spectators celebrated the 100th year of Morgan. In 2005, Alfas at the Glen had 55 Alfas racing at the track and more than 75 registered for the full range of festival events downtown.

All Alfisti will be welcome to gather at Watkins Glen, to cheer on their brethren on the track and to participate in the village events.

*We are asking for the help of all AROC chapters and especially newsletter editors in making sure that all Alfisti are aware of this event and can possibly add this to their 2010 schedule.*

# **BRaille RALLYE 2010**

**Saturday, August 7**

I look forward to seeing you all again this year!

Information and registration packets will be sent in about mid-April

Question: If we had t-shirts available, would you be willing to purchase them at about \$10, with proceeds going to the Braille Institute?

Would they have to have a date, or could they just have the Braille Rallye logo and perhaps change the color every year?

See you in August!!

## **Plan Now for the Spring Driving Tour 2010 Gettin' Happy in Tehachapi**

---

---

Tourmasters Elyse and Jim Barrett are pleased to announce they have received the first RSVP for the 2010 [Late] Spring Driving Tour. While the identity of this prominent couple will remain a secret for the near future, let us say they are only the third to have achieved this honor. Congratulations! Now the rest of y'all, get organized for June 19-20! (And yes, previous publicity listed the event incorrectly, so adjust your calendars accordingly.)

This year's theme is a not-so-thinly disguised reference to the Great Depression, which includes budget accommodations and an opportunity to be excel at the lunch picnic competition. During these dark days and lean years, the least fortunate were forced to be very creative with the inexpensive types of food available to them, so this year's picnic could be a showplace for innovation.

Many folks came west riding the rails, so another tip of the historical chapeau this year will be paying homage to a real feat of engineering with a stop at the Tehachapi Loop. It is a tunnel at which you can see both ends of a train with a length of more than 18 cars.

Additional highlights of the drive will include a leg-stretcher at historic Fort Tejon near the summit of the Grapevine Pass; some foothill and mountain driving in a corner of California we've never driven before; and a Sunday stop to see some very special furry friends.

Space at our special landmark hotel is limited to 17 rooms, with the benefit of being able to walk to dinner. But if we have a larger crowd, there are opportunities among the downtown accommodations.

**SAVE THE DATE : JUNE 19-20  
SPRING DRIVING TOUR**

**BEAT THE GREAT RECESSION  
GET HAPPY IN TEHACHAPI**

Get out your comfy overalls, don a well-worn straw hat and channel your inner Okie or Arkie.

The 2010 AROSC Spring Driving Tour is headed west to the high plains hideaway of Tehachapi, via a corner of the Central Valley, and a special mountain stage.

**Highlights include**

- A visit to Fort Tejon
- Our traditional juried picnic competition
- The railroading marvel Tehachapi Loop

**Details en brevi**

- Accommodations are \$45 double-occupancy
- Dinner is at Jake's Steak House \$18-\$25
- Breakfast in downtown historic district
- Special Sunday tour in Rosamond

## **General Meeting/Chili Cook-Off April 24**

YUMMM!!! You can almost smell it – that spicy, hot, goodness of home made chili. Saturday afternoon, April 24<sup>th</sup> it's the AROSC Chili Cook-Off. Get out your secret family recipes and join us for a great day in the park. Prepare and partially cook your chili at home. Bring it to the park for the final touches. Beg, borrow, or steal a gas or propane camp stove to heat up your lovingly prepared chili. There is also access to electricity so you can bring a crock pot or an electric cook top. The chili will be sampled and judged by all in attendance so be sure to make enough to go around. These are the suggested categories/classes:

**Best Vegetarian Chili**

**Hottest Chili**

**Best Overall (Best in Show)**

The General Meeting and cool-off will be held at a wonderful family park in the city of Brea. Arovista Park can be reached from the 57 Fwy... exit Imperial Hwy, travel west on Imperial for about 1 mile to Brea Blvd., make a left on Brea, right on Elm Street, and at the 3<sup>rd</sup> stop sign (Siever Ave) make a left into the park. Follow the road as it curves to the right and park your car. Picnic, cooking battles, and benches are at the site, however, it is suggested that you bring your own comfortable chairs as the park's benches and tables are concrete. Bring your family, friends, grandkids, dogs, as there is something for everyone at the park. There is a skateboard park, children's playground area, basketball courts and a large grass area (did somebody say Bocce Ball?) and a stream nearby for walking.

For those of us who even wondered what an Emulsion tube is our club's technical guru Mike Riehle will be holding an informal tech session revealing the mysteries of the Weber Carburetor. If you have an Alfa-related problem, be sure to bring it up during the tech session – someone will have an answer. Maybe not correct, but an answer.

## **Maserati Club Rally Event — April 15-18**

---

---

We are invited to join The Maserati Club's April 15-18 event in the Central Coast. The format is designed to allow participation in any part of the weekend, with particular recognition of the fact that many people will not be able to participate on Thursday night or Friday.

The event will begin with an informal, no host dinner on Thursday, 4/15, in Carmel. Friday will feature an easy tour down highway 1, with lots of picture taking opportunities and lunch along the way. The drive will end at the HQ hotel (TBD). There will be a cocktail party at a local member's home or a no host cocktail hour at or near the hotel, followed by a no-host casual dinner at a local restaurant.

Finally the 2nd Annual Joe Martin Memorial Rally (formerly the Pismo Beach Rally) will begin 10:00 AM Saturday morning. The rally will be run on of a mixture of challenging and scenic SLO County roads, ending mid-afternoon to give everyone time to rest up and get ready for the banquet Saturday night. Past runs have taken us to such diverse places as Parkfield (earthquake capital of Calif.) and Cold Springs Tavern (a renowned stage coach stop and currently a gourmet restaurant and well known "biker" bar). Prices, hotel and restaurant info will be forthcoming as quickly as possible.

For more information, contact Tom Geiger of The Maserati Club at [tig@fix.net](mailto:tig@fix.net) or 805-925-0398.

## **Classic SoCal Beauty at the Desert Classic**

---

---

*By Elyse Barrett*

*Photos by the Barretts and Steve Edelman*

The third annual Desert Classic Concours, this time staged at La Quinta Resort and Club, was another step up in organization and elegance. The new venue was beautiful; the cars being shown for judging truly unique; and the accommodation of us hangers-on most hospitable. AROSC and friends from the OC and San Diego Chapters successfully filled the Alfa marque corral with 16 cars and 30+ Club members, and made a lovely winter weekend of it.

Mos of us were buffeted a bit by the storm on Saturday's first transit, so the lunch stop in Joshua Tree at Charlie and Bonnie Schwartz' now-finished desert retreat was truly the pause that refreshed. The skies were dramatic, the company warm and the setting fabulous. We all fit indoors comfortably to nosh our sandwiches, cheeses and fruit and other finger food, and and enjoyed the modern amenities of their elegant little house, especially the special details in their decorative rocks and tiles, such as Chief Rain in the Face!

The U.S. Parks Service couldn't guarantee that we wouldn't encounter flash flooding in Joshua Tree, and the hour was late, so instead of driving through the park, we retraced our steps out Hwy. 62 to Hwy. 10 and Palm Desert to check in at the Best Western Palm Desert at a civilized hour.

Dinner and wine-down at Doug and Joyce McHattie's was another full-house party for 25, tasting whites, reds, and munching chicken drumettes and famous Dougburgers.

Steve Edelman found a self-serve car wash for those who wanted to spiff their rides and we made the most of the free breakfast at the hotel on Sunday morning. The coffee was very good, the eggs and hash browns fresh, and we were soon away to the La Quinta Resort and Club.

Our marque group on the green included three GTV-6s, a GTV, two Giuliettas, a Giulia ti, two spiders, a 164 and Ed Aenlle's 1900C SuperSprint from San Diego. Surprise additions included a special little 1955 Berlina brought by Dan Ritter, and a fabulous Alfetta sport veloce.

We could have used real shade, but patched together enough by using our rain umbrellas. Judging was completed by midday and awards were under way before 2 p.m. Although they didn't bring their Alfas this year, Club members Don and Carol Murray were invited to show their 550 Porsche speedster and 375 Ferrari. The Porsche garnered top honors in the Preservation Class and was recognized among the special awards as Most Significant Open Car. Results are available on the event Web site, [www.desertconcoors.com](http://www.desertconcoors.com).

**1978 Spyder:** purchased by me 8 years ago as a charity donation brokered by Pick-A-Part. Though I don't believe it has been wrecked it has been on a salvage title since Pick-A-Part. It has been running recently but has been on a non-op for the past four years. It runs ok and lights and accessories work. The motor has good compression but it won't pass smog because of a Spica injection problem. The body is straight though it is missing a rear bumper. The top is ok. It was repainted red over ivory and needs a new paint job. Rust is visible of one fender flare and lower rear fenders, not too bad. Trans and

motor are ok. It has a fresh battery. It has Alfa alloys and ok tires. Also I have an extra transmission and engine for this car as well as two manuals. I am looking for about \$2000 but I'll consider the best offer. Pictures on request. *Call Howard at (909) 557-5943 or E-mail to: [howknowit@msn.com](mailto:howknowit@msn.com). (2/10)*

**1986 GTV-6:** Champagne with black leather. 2nd owner, all records, 157,250 miles. Runs good, interior good, needs paint, clear coat is peeling. Includes front air dam, 600pg workshop manual, car cover. \$1,500. *Call Dave at (310) 665-0707 or E-mail to [david@mellendesign.com](mailto:david@mellendesign.com). (1/10)*
